His Excellency Mr Chen Mingming,

Dear Sir,

It has again been brought to JAS attention that persecution of benevolent Christian house churches in China is sustained by sectors of the Chinese government, and persecutions against the body of Jesus Christ in China is also assessed to have increased the past year.

JAS supports religious freedoms that do not harm. Biblical Christianity is good for any society. JAS therefore implore His Excellency Chen Mingming to recognise the goodness and benefits that arise to China from Jesus Christ, and hence from Biblical Christians in house churches in China. Please consider granting all Biblical Christians the freedom to congregate and worship in accordance with Biblical instructions, and to exercise the right to bless China through Biblical edification and good works.

(Bible; John 3: 16-18)

For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him. Whoever believes in him is not condemned, but whoever does not believe stands condemned already because he has not believed in the name of God's one and only Son.

Cordially yours,

Torsten Nenzén
